We are in the process of reviewing it this morning, and I will let you know if we need anything. Also, no we have not received the Moran inspection report yet.

Brad,

Good morning. Has Moran gotten back to you with the approval for Model Tobacco? If so, has the draw request been fully approved?

Subject: RE: Signed AIA G702's

Chris,

In reviewing the draw you send we need a couple of things to be updated or further clarification:

- We are in need of lien waivers from the GC
- The G702 and the sources and uses amounts do not match
- As you know we are still in need of the inspection report which should be coming in soon.

Thanks,
Brad

Brad,

Please see the attached AIA G702's signed by myself and the architect for the construction and soft costs associated with draw #2 for Model Tobacco.
